Na Mwandishi Wetu, Tanga

WAZIRI wa Mifugo na Uvuvi, Mashimba Ndaki amemuagiza Katibu Mkuu anayesimamia Sekta ya Mifugo kumsimamisha kazi mkandarasi anayejenga miundombinu ya mnada wa Ndelema wilayani Handeni kwa kushindwa kufanya kazi

kwa wakati.

Ndaki alitoa agizo hilo jana baada ya kukagua ujenzi wa miundombinu ya mnada huo ambapo wakati anapita, hakukuwa na kazi inayoendelea na mkandarasi hakuwapo kwenye eneo la ujenzi.

Pamoja na agizo hilo la kusitisha mkataba wa mkandarasi huyo, Ndaki pia

ameagiza kusitishwa kwa malipo ambayo yalikuwa yapo kwenye mchakato kwa kuwa mkandarasi huyo hastahili kulipwa kutokana na kazi aliyofanya.

Aidha, alimuagiza Katibu Mkuu anayesimamia Sekta ya Mifugo kumtafuta mkandarasi mwingine mwenye uwezo wa kufanya kazi hiyo kwa wakati ndani ya siku 14 iweze

kuendelea.

"Serikali ilishatenga fedha za kutosha kwa ajili ya kuhakikisha miundombinu ya mnada inajengwa ili kuwawezesha wafugaji kuuza mifugo yao katika mazingira mazuri na kusaidia katika kuongeza ukusanyaji wa maduhuli, hivyo haitamvumilia mkandarasi yeyote mzenbe," alisema.

Mkuu wa Wilaya ya Handeni, Sirel Mchemba alisema mnada huo ni muhimu katika ukusanyaji wa maduhuli ya halmashauri.

Alisema ucheleweshwaji wa ujenzi wa miundombinu yake unakwamisha maendeleo ya Mji wa Handeni kwani mapato yangepatikana kupitia fedha ambazo zingekusanywa hapo.

Mkurugenzi wa Idara ya Huduma za Mifugo, Profesa Hezron Nonga, alisema mkandarasi huyo alishazidiwa barua ya onyo kutokana na ucheleweshaji wa ujenzi wa mnada huo mbali na kuitwa wizarani kwa lengo la kumtaka akamlisha kazi aliyopewa ya ujenzi wa miundombinu kwenye mnada wa Ndelema
